Here is what some of our customers said about FoundationPlus!

We view FoundationPlus as a "one Stop Shop" for our borrowers when they need a permanent foundation. Their rapid delivery, innovative design and engineering services make them a preferred vendor particularly when we are facing time constraints - (National Lender)

FoundationPlus has become a valuable resource for many Realtors in our area. They provide tremendous insight for buyers and sellers regarding manufactured housing and permanent foundation issues - (Realtor)

My Husband is in the Coast Guard and we were recently transferred. Our home had been on the market for some time and we finally received an offer. The buyer was financing the home FHA and we learned that our home would not qualify because of the foundation. Our Realtor put us in contact with FoundationPlus, they installed their system a few days later and we were able to close on time. We now have only one mortgage and are very happy customers". Thank you very Much! - (Seller)
